

REMARKS

In response to the Restriction Requirement of March 20, 2006, Applicants hereby elect Group I, which is drawn to an assembly and is embodied by claims 1-11. Accordingly, since Group I has been elected, Applicants further elect Species B. Claims 2 and 4-6 read on the elected species.

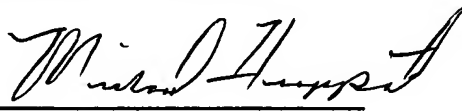

Further, by the above amendment, claims 7-11 have been cancelled and independent claim 15 has been added. Note that claim 15 is readable on the elected species. In fact, claim 15 is generic with respect to Species A, B and C.

Further, the specification has been amended to correct a minor informality. Note that the section line X-X is shown in Fig. 11 (not Fig. 9).

Having made the required election, a full examination on the merits of the elected group is requested.

Respectfully submitted,

Makoto NISHIMURA et al.
